A3

Introduction

The Audi A3 Saloon is the first compact saloon to sport the four rings. It extends the Audi product portfolio in the world's fastest growing segment – the A segment – with the addition of an important, forward-looking derivative. In Ireland, the A-Segment Saloon accounts for over 25% of total annual sales. Starting at €30,480 on the road, the A3 Saloon is well equipped to compete in this competitive market.

Right from its premiere at the 81st Geneva International Motor Show in 2011, the Saloon, then dubbed the Audi A3 Saloon concept, caused a stir. The same year a readers' poll run by Auto Bild Klassik voted it "Classic of the Future" in the Small & Compact Cars category.

Audi Ireland is proud to announce that the A3 Saloon is the first saloon car in Ireland to have Co2 emissions of sub 100g/km.*

*excludes hybrid and electric vehicles.1.6TDI 105 bhp has combined Co2 of 99g/km

With its innovative design and sophisticated technology, the new Audi A3 Cabriolet is the perfect example of Vorsprung durch Technik. It's available with a choice of advanced petrol and diesel engines, from the 1.4 TFSI® with cylinder-on-demand technology to the 2.0 TDI® – all of which deliver exceptional efficiency and performance. And there's also a wide range of equipment and accessories to choose from, placing you behind the wheel of a car that suits you completely.

Audi Efficiency Leads the Way

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO2 and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A3 Saloon.

TDI® and FSI®

Inside the engine of the Audi A3 Saloon you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI® and FSI®, fuel is injected directly into the engine's
chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

Gear-change indicator

Small changes to your driving style can have a big impact on your fuel economy. The gear-change indicator in the Audi A3 Saloon is there to indicate the optimum gear to use for any given speed, encouraging early upshifts to ensure you don't burn more fuel than is necessary.

Cylinder On Demand

The innovative cylinder-on-demand system deactivates two engine cylinders when you're cruising or at low revs, but switches back in an instant to four cylinders when you need more power or brake. This functionality improves the effectiveness of the engine under different driving styles and conditions, and optimises efficiency and economy helping to lower both fuel consumption and CO2 emissions.

What is a Personal Contract Plan?

Options
Decide on 1 of 3 options

Finance
Outstanding amount between the deposit GFV

Deposit

Audi Finance Personal Contract Plan (PCP) gives you flexible finance options and the convenience of a guaranteed future value (GFV) for your new Audi. This personal contract plan is based on a hire purchase agreement with a difference. It allows you to use the equity in the future value of your Audi to reduce your monthly payments and avail of a shorter termed agreement. A PCP contract over 36 months may have similar monthly rentals to a 60 month agreement using traditional hire purchase.

You pay a small deposit (as little as 10% of the purchase price) and benefit from attractively low monthly installments and a guaranteed future value for your new Audi. At the end of your contract you may choose to change your Audi for a brand new model, keep it or simply return it to your dealer.

So, whether you want to drive the latest and safest model, upgrade regularly or simply keep your new Audi, Audi Finance PCP makes your money go further.

Click the target to find out more about Audi Finance and PCP

*COD - Cylinder on Demand Technology

A3 Saloon/Cabriolet Standard equipment

16” 10 Spoke Alloys Wheels

4-Spoke Leather Multifuction Steering Wheel

Manual Air Conditioning & 5.8” Retractable Screen

Engine and transmission

Driver’s Information System with Efficiency Program – provides the driver with fuel saving tips, a gear change indicator on manual models and details of other vehicle functions that consume fuel

Start-stop system with energy recuperation

Safety & Security

Adaptive brake light – the brake light flashes during an emergency stop to warn following traffic, hazard warning lights automatically activated if vehicle comes to a standstill

Airbags – driver, front passenger and front side airbags with head level airbag system for front and rear and knee airbag for the driver. Includes a front passenger airbag deactivation switch

Anti-Slip Regulation (ASR) reduces engine power to prevent the drive wheels from spinning, resulting in more stability and improved traction

Anti-lock brake system (ABS) and electronic brake-force distribution (EBD); hydraulic brake assist, disc brakes at front and rear, ventilated at front

Electronic differential lock (EDL). On surfaces with varying levels of grip, this start-off assistant automatically brakes the driven wheels on any surface that is too slippery, thereby ensuring smooth, powerful progress

Electronic stabilisation control (ESC), ensures greater stability in hazardous situations through targeted braking of individual wheels and intervention in the engine management system and helps to stabilise the vehicle by changing the steering torque

First-aid kit and warning triangle in storage compartment under front passenger’s seat

Remote central locking with two fold away keys

Seat belt reminder for all seats

Seats

Marathon cloth upholstery – available in black or titanium grey. The seat centre section in Marathon cloth design and the seat side sections, head restraints and door and rear side trims in plain cloth

Split-folding rear seats – 60/40 or all

Standard front seats, with manual forward, backwards and backrest angle adjustment, seat height adjustment (on driver’s and front passenger’s side) and also belt height adjustment

Exterior Equipment

Exterior wing mirrors – electrically adjustable and heated with built-in LED side indicators and painted in body colour

Halogen headlights, with electric headlight range control and daytime running lights

Heated windscreen washer jets

Model and engine technology (TDI or TFSI) badges

Rear lights – with reversing lights in white and rear fog lights, including high-mounted third brake light and LED number plate light

Washer fluid level indicator

‘Ultra’ emblem on rear of 1.4TFSI Cylinder on Demand models

A3 Saloon/Cabriolet Standard equipment

Audio & Communication

5.8” QVGA colour display screen – electrically extending, slim line design

MMI Radio

Auxilary Music Connection – provides 3.5mm connection to all CD and MP3 players including iPod and iPhone.

Bluetooth interface – for hands free mobile phone connectivity & Audio streaming (depending on device)

Wheels, tyres and suspension

16” x 6.5J ‘ 10 Spoke’ Alloys (CB8) alloy wheels with 205/55 R16 tyres.

Electromechanical parking brake – includes parking brake function when the car is stationary, auto-release function to assist when pulling away and emergency braking function

Electromechanical power steering

Space saving spare wheel – for temporary use (not available on quattro and cabriolet models)

Car Jack and Tool Kit

Tire Pressure loss indicator

Interior equipment

4-spoke leather trimmed multi-function steering wheel, adjustable for height and reach

Air vents in aluminium look, which can be adjusted from wide diffuse air distribution to a particular spot diffuse

Coat hooks on the B-pillar on the left and right side

Electric front windows

Electric Rear windows

Front floor mats – in velour to match interior colour

Inlays in Micrometallic silver

Interior lighting – front and rear with delayed switch-off and contact switches on all doors. Also includes glove box and luggage compartment light

Lashing points – 4 in luggage compartment, to prevent movement of luggage and other objects, attachment points for the optional luggage securing net

Manual air conditioning

Smoking package with cigarette lighter and 12V socket in the centre console and an ashtray with the Audi rings

Storage compartments in the door side trims, in the centre console, and under the front passenger’s seat Sun visors – folding and swivelling, on driver’s and front passenger’s side, with covered vanity mirror

Marathon Cloth Upholstery

Exterior Mirrors in Body Colour

Driver Information Display with Efficiency Computer

SE SE models add the following equipment for a premium of €1,350 over entry-level models

- Leather-like look and feel and cloth upholstery - (N3Q)
- Front Fog Lights
- Interior Lighting Pack
- Front Centre Armrest
- Cruise Control
- Rear Park Assist
- Colour Driver Information System
- Audi Music Interface
- Chrome Window Surrounds*
- Luv 3D Look inlays
- Electric Heated Mirrors
- Aluminium Look in interior
- Front & Rear Floor Mats

*standard on A3 Cabriolet

Audi Music Interface

Aluminium in interior

Luv 3D Look Inlays

Front Fog Lights

Colour Driver Information System

Cloth / Mono Pur Seats with Centre Armrest

S Line - S Line adds the following equipment for €3,150 over SE Models*

- Xenon Lights with LED Daytime Running Lights
- 18” 5 Twin Spoke Design Alloy Wheels
- Headlining in Black Cloth
- LED rear lights
- Audi Drive Select
- 3 Spoke Flat bottomed Leather Multifunction Steering Wheel with S Line logo
- S Line Front and Rear Bumpers
- S Line Logos on Interior and Exterior
- Door Sill Trims in Aluminium with S Line Logo
- Front S Line Seats in Leather / Cloth with height and depth adjustment with S Line logo in seat backrests.
- S Line Suspension (deletable at no cost)
- Storage Package
- Matt Brushed Aluminium Inlays

*interior lighting package not standard in S Line

Audi S3 Saloon

In addition to the standard equipment on the A3, The Audi S3 adds the following equipment:

+ quattro Permanent All-Wheel Drive
+ Audi Drive Select
+ Half Leather Sport Seats
+ Rear Park Assist
+ Electric Heated Mirrors
+ Connectivity Package
+ High Gloss Package
+ Cruise Control
+ Xenon Lights with LED Daytime Running Lights
+ LED Rear Lights
+ Headlight Washers
+ Storage Package
+ Anti-Theft Alarm
+ Brushed Aluminium Inlays
+ Dual Zone Climate Control
+ Progressive Steering
+ Leather Multifunction S Lines Steering wheel, flat bottomed with Shift Paddles for S Tronic (where applicable)
+ Front centre Armrest
+ Colour Driver Information Display
+ 18" 5 Parallel Spoke Partly Polished "S" Alloy Wheels
+ S Line Sports Suspension

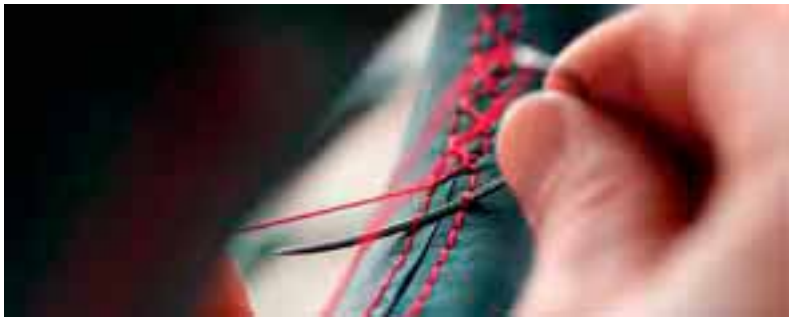
Audi Exclusive



Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new A3 with options from Audi Exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi Exclusive will enable you to drive the car you've always imagined.

Audi Exclusive

Upholstery

With Audi Exclusive, you can specify your seats in Valcona, Fine Nappa leather or a leather/Alcantara combination, in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi Exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Jet grey

Alabaster white

Sand beige

Saddle brown

Chestnut brown

Crimson red

Magnolia white

Havanna brown

Cognac brown

Night blue

Cloudy grey

Smoky blue

Iceland green

Powder beige

Classic red

Audi Exclusive

Exterior

You only get one chance to make a first impression Make the best of it with your choice of exterior paint finish from Audi exclusive's large selection. We gladly take your requests for further colours.

An Audi paint finish consists of four layers which, when combined, are not even as thick as a human hair. The first priming coat protects the body against rust and other signs of ageing. When applying this coat, the vehicle is pulled through the 'dip tank' as it rotates, thereby ensuring that every hollow is covered and no millimetre escapes. Once the priming has hardened, it is cleaned with emu feathers. These rotating feathers are used to carefully brush the body down and remove each and every speck of dust.

The second layer of paint is then applied. This is known as the filler coat. This procedure evens out any irregular spots and includes an elastic component to ensure that paint does not chip off should the vehicle ever be hit by a stone, for example.
The third layer is the actual visible colour. While the body receives a coat of your individually mixed colour in the dip tank, coatings are applied with a paint-spraying gun to smaller parts, like the exterior mirror or the fuel tank cap.

The fourth layer is a clear protective coating that hardens at 140 °C in just half an hour. It protects against UV rays and lends the paint finish its shine and intensity of colour. That way you can enjoy your favourite colour for as long as possible, whether it's sunny yellow, wine red or emerald green.

Audi Exclusive

Every Audi is intrinsically exclusive.

Audi drivers want something special. Audi Exclusive allows you to transform something special into something truly personal.

Bear lever knob in Audi exclusive aluminium

A3/S3 - Optional equipment

Code		Priced From:
0TD	Rear Floor Mats	€55
1D2	Detachable Tow Bar	€974
1M5	Trailer Hitch Preparation	€210
1PE	Wheel Bolts With Anti-Theft	€35
2H6	Audi Drive Select. Changes vehicle characteristics by adapting power steering assistance, accelerator and the gearshift characteristics of the S tronic transmission. The system also influences other optional equipment through 5 available modes: comfort, auto, dynamic, efficiency and individual. The efficiency mode adapts the engine characteristics, enables free-wheeling mode with the S tronic transmission and engages the climate control and the optional adaptive cruise control into an efficient fuel-saving setting. Standard on S Line Models	€278
2H7	Audi Magnetic Ride. Continuously adapts the suspension damping to the changing driving situation. It does this automatically and in just a few fractions of a second by means of an electronically controlled magnetic field. This results in impressive handling dynamics accompanied by a remarkably high degree of ride comfort. The “Auto”, “Comfort” and “Sport” modes allow the basic setting to be adjusted individually as desired. There is a pronounced difference between the respective basic set-ups. - Ample ride comfort thanks to low body acceleration and movements - Enhanced agility and handling dynamics thanks to reduced dynamic roll angles during steering inputs - Improved pitch characteristics when accelerating and slowing down - Controlled wheel damping ensures remarkable handling stability and safety, especially in poor road conditions. - High long-distance suitability - Including sports suspension: 15mm lower than dynamic suspension, tauter suspension and damping settings - Convenient adjustment of suspension tuning using a button in the centre console Not available on the 1.6TDI 105PS engine. 19” wheels only available with Audi Magnetic Ride	€1,565
2UG	S Line Suspension - More dynamic spring/damper settings. Not available on A3 Cabriolet.	€786
2Z0	Badge Deletion	€0
2ZS	Multifunction Steering Wheel with shift paddles. Only with automatic transmissions	€153
3FB	Panoramic Glass Roof. Only in conjunction with QQ4. Not available on A3 Cabriolet	€1,323
3FT	Fully Automatic Acoustic Hood - Only on A3 Cabriolet	€353
3L5	Electrically Adjustable Seats. Not available on A3 Cabriolet. Forces 7P1, Power Lumbar Support for Front Seats.	€953
3NU	Through-load facility. For safely transporting long objects, includes rear centre armrest with cup holders and a storage compartment. Not available on A3 Cabriolet	€215
3S1	Chrome Roof Rails.	€369
3X2	Load Through Facility. For the practical and safe tranportation of long objects, up to 4 pairs of skis or 2 snowboards. Only in combination with 3NU. Not available on A3 Cabriolet	€104
4A3	Heated Front Seats	€459

2H6 - Audi Drive Select.

4I3 - Comfort Key with Push Button Start/Stop

Option Prices reflect VRT Band A2. For option pricing for higher bands, please contact your local Audi Dealer

A3/S3 - Optional equipment

Option Prices reflect VRT Band A2. For option pricing for higher bands, please contact your local Audi Dealer

Code			Priced From:
4I3	Comfort Key - Access and authorisation system which automatically exchanges data between key and vehicle, allowing the driver to keep the key in their pocket or bag at all times. To unlock and open, simply lift the exterior door handle. Also includes an ignition start and stop button integrated into centre console.		€543
4X4	Rear Side Airbags.		€488
4ZB	Aluminium window trims. Framing the exterior side windows. Standard on SE and S Line Models and A3 Cabriolet		€223
5TD	Aluminium mistral Inlay.		€71
5J2	S Line Roof Spoiler		€353
6E3	Centre Arm Rest. Standard on SE and S Line Models		€194
6NQ	Headlining In Black Cloth. Not available on A3 Cabriolet		€327
	Reversible Mat for Luggage Compartment. For the luggage compartment, velour on one side and rubberised on the other, to cover the entire luggage compartment, even with folded rear seat backrest		€84
6XD	Heated Electric Mirrors. Standard on SE and S Line Models		€175
6XE	Electric Heated Folding Mirrors. Mirrors fold in and out when car is locked and unlocked respectively.	Entry SE / S Line	€453 €278
6XK	Mirrors: Electric/Heated/Dimming/Folding. Only in combination with Auto-dimming rear view mirror (PU7)	Entry SE / S Line	€535 €361
7G9	Prep For Tracking System		€147
7HE	Exterior and Interior Elements in Mono Pur. Front knee pads and armrests finished in mono.pur leather effect material. Also includes stitching in the colour of the seat upholstery		€404
7P1	Power Lumbar Support for Front Seats - with horizontal and vertical adjustment		€341
7S1	Windblocker Available on Cabriolet only		€445
7TM	Inlays In 3D-Look Luv. Standard on SE Models		€210
7W1	Audi Pre-Sense Basic		€278
7X1	Acoustic Parking System Rear. Makes reverse parking easier by indicating acoustically how far away the vehicle is from an object detected behind the vehicle. Measurement is by ultrasonic sensors integrated discreetly in the bumper. Standard on SE and S Line Models		€557
7X2	Acoustic Parking Front & Rear. Acoustic and visual parking aid for the front and rear which displays white distance markers for obstacles that would not be touched and red symbols for obstacles that would be touched. This provides the driver with a selective optical view in the MMI display of all the objects recognised, depending on the current curve radius and direction of travel.	Entry SE / S Line	€1,086 €529
7X5	Audi Park Assist. In addition to parking system plus front and rear, ultrasonic sensors are used to search for parking spaces by the roadside and the system calculates the ideal parking path for reverse and parallel parking spaces. The steering action is performed almost automatically. Assisted parking is now even possible in smaller parking spaces and bend areas, and the system will park the car in several moves if required. Steering is done by the vehicle, while the driver only needs to accelerate and apply the brakes. 4 additional sensors indicate obstacles detected all around and at the side of the vehicle, and warn the driver, making parking easier and safer by setting the correct steering angle. Only in conjunction with 7X2.		€682

9VS - Bang & Olufsen Sound System

9AK - Dual Zone Climate Control

A3/S3 - Optional equipment

Option Prices reflect VRT Band A2. For option pricing for higher bands, please contact your local Audi Dealer

7Y1	Lane Change Assistant. Only in conjunction with PU8 and QK1. Only with 8G1 or 8G2.	€696
7Y5	Side & Active Lane Assist. Only in conjunction with PU7/PU8, PX4 and QK1. Only with 8G1 or 8G2	€1,531
8G1	High Beam Assistant. Automatically detects oncoming traffic and adjusts beam. Only in conjunction with PU8 and PX4	€188
8G2	Sliding Headlight Range. Upgrades the functionality of the Adaptive lights with the aid of a camera which detects other road users or light sources and allows infinitely variable adaptation of the headlight range between main and dipped beam. Only in combination with Audi active lane assist (PCB) or Audi active lane assist and Audi side assist (7Y5) or driver assistance package (PCE), Adaptive headlights with Xenon Plus headlights (PX4).	€210
8T2	Cruise Control. Standard on SE and S Line Models	€376
8WB	Front Fog Lights. Standard on SE and S Line Models	€229
8X1	Headlight Washer System. Standard on S Line Models	€355
9AK	Dual Zone Climate Control. Separate control for the driver and front passenger which electronically regulates the air temperature, air flow rate and air distribution. Automatic recirculation mode using an air quality sensor, combined filter, rear vents and humidity regulation for more efficient climate control	€767
9K1	Airscarf. Warms the the upper back area for drivers and passengers via heated air vents. On A3 Cabriolet only	€627
9S6	Driver Information Display in Colour. With high-resolution 3.5” TFT colour display. Standard on SE and S Line Models	€159
9VD	Audi Sound System. 10 speakers in total including centre speaker in the dashboard and subwoofer in the spare wheel well. 6-channel amplifier with a total output of 180 watts	€355
9VS	Bang & Olufsen Sound System. Surround sound reproduction via 14 high-performance speakers including centre speaker in the dashboard and subwoofer in the spare wheel well. 15-channel amplifier with a total output of 705 watts. Exclusive speaker covers with aluminium applications and LED lighting accentuating the front woofers. The sound is permanently adapted tocompensate for driving and background noises determined by a microphone.	€1,100
9ZE	Audi Phone Box. Enables drivers to use their mobile phone in the car by placing it in the storage compartment provided in the centre console to create a ‘wireless’ connection to the vehicle aerial via the integrated connector in the storage compartment. Can be charged via a USB port. Operated via the MMI control panel, the multifunction steering wheel or voice control system	€445
9ZK	Audi Connect. Only in conjunction with PNQ	€696
KA2	Rearview Camera. Shows camera image of area behind the vehicle shown on the MMI display, with dynamic display modes showing the calculated path (steer-angle dependent). Includes, auxiliary lines and guidelines and identification of the point at which to apply opposite lock when parallel parking. The rearview camera is integrated discreetly in the handle strip of the luggage compartment lid. Only in combination with Parking system plus, front and rear with selective display (7X2), or Driver assistance package (PCE)	€571
MP1/MP7	Metallic and Pearl Effect Paint	€906

N5W - Milano Leather

9ZE - Audi Phone Box

A3/S3 - Optional equipment

Code			Priced From:
N3M	Fine Nappa Leather Trim - S Models only		€1,997
N4U	Fine Nappa Leather Trim Seat Bolsters - S Models only		€tbc
PCB	Audi Active Lane Assist. Lane markings are registered by an optical sensor in the windscreen above speeds of approximately 60kph. Camera identifies individual or coloured lane markings, e.g. yellow lines at roadworks. The lane departure warning system warns the driver if a detected lane marking is approached without indicating, and helps the driver to steer back towards the middle of the lane by making gentle steering movements. Steering wheel vibration can be activated as an additional warning when crossing lane markings. System is activated manually by a switch on the turn signal lever. Only in combination with light and rain sensor package (PU8), auto-dimming rear-view mirror (PU7)		€835
PCE	Assistance Package. Contains all of the following assistance functions: Adaptive cruise control , Audi active lane assist, High beam assistant, Parking system plus front and rear, light and rain sensor and sunband with acoustic windscreen. Only in combination with Colour Driver's Information System (9S6)	Entry SE / S Line	€2,088 €1,365
PCG	Adaptive Cruise Control With Stop & Go Function. Automatic distance control (control range for manual transmission between 30-160kph and for S tronic 0-160kph. In conjunction with the optional Driver assistance package (PCE) the control range is extended up to 200kph). Also includes Stop/Go function only with S tronic. Working within system limits it uses a radar sensor to detect vehicles ahead and maintain this distance by automatic braking and accelerating. 4 distance levels and different driving modes can be selected individually. Also includes Audi pre-sense front which warns the driver through an enhanced brake assist of any imminent threat of collision with the vehicle in front. Braking action is initiated at speeds below 30kph if there is a danger of collision with a stationary or moving vehicle, to avoid or reduce impact. Only in combination with Colour Driver's Information System (9S6).	Entry SE / S Line	€780 €403
PDA	Delete S Lines Suspension		€0
PG2	Anti Theft Alarm - Includes Safelock. Standard on S3.		€557
PG3	Anti Theft Alarm including Comfort Key - Includes Safelock. For info on Comfort Key see 4I3 for description		€1,099
PNQ	MMI Navigation Plus with MMI Touch. Includes HDD-based MMI Satellite Navigation Plus and MMI Touch with navigation data (flash memory), electrically extending, high-resolution 7-inch colour display, high-quality representation of the navigation map as 3D ground model with topographical map colouring, display of many sights and city models in 3D, choice of 3 alternative routes provided, split-screen mode for route information (manoeuvring points, points of interest on motorways, TMCpro on route), detailed junction map and lane recommendations, dynamic route guidance (where available), voice control system (whole-word entry of address in one sentence), additional arrow display in the driver information system; including radio with triple tuner and phase diversity, flash memory for music (10 GB), MP3, WMA, AAC and MPEG4-capable DVD player which can also be used for music and video DVDs, 2 SDXC card readers (for up to 2 TB). MMI touch: a touch-sensitive panel on the rotary/push-button control for intuitive operation of the MMI without taking your eyes off the road; context-related entry of letters and numbers for navigation destination via handwriting recognition with acoustic acknowledgement, selection from address book, entry of telephone numbers or search for media files; simple movement of navigation map and selection of points of interest. Only in combination with 9S6	Entry SE / S Line	€2,784 €2,443
